Enroll for eStatements

Select the **eStatements tab** from the menu bar in NetTeller Online Banking.

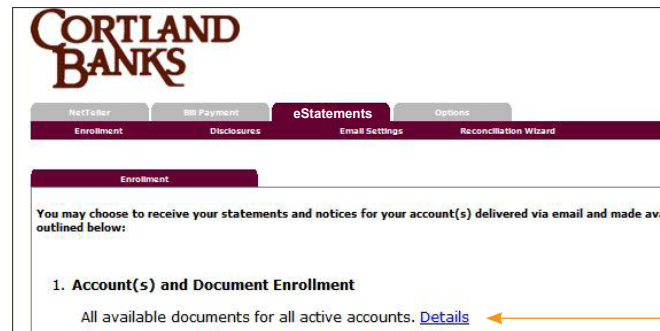

The first time you click on the eStatements tab you'll be presented with an enrollment screen.

Step 1 (optional)

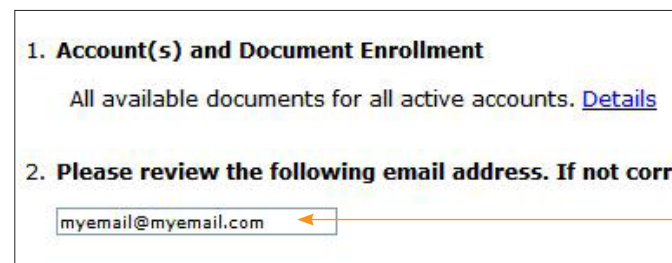

Click **Details** to see which accounts and document types you can enroll for eStatements.

Remove the checkmark from the boxes for any documents you wish to receive on paper.

Step 2

Make sure your **Email Address** is correct. If no email is listed, you must provide one for eStatements.

Step 3

Create a **Security Statement**. Enter a word or words that you will recognize. This is called your eStatement security phrase. Emails from us regarding eStatements will contain this phrase.

Step 4

Enter your **Enrollment Passcode** into the field provided. To obtain your passcode, click where it says "To see the passcode, click here."

A PDF will load with your passcode in the center. This word is case-sensitive. Enter it into Step 4 on the Enrollment Screen in NetTeller.

This step is your key to knowing if you'll be able to read eStatements online. You must have Adobe Reader 6.0 or higher installed on your computer to use the service.
